PROFESSIONAL
SKINCARE

At absolute

We recognized the need for products with the most ground breaking ingredients to work with and enhance laser treatments.

Our custom formulas are designed to stimulate more collagen which will aid in the repair of damaged skin. They stimulate faster healing, help prevent infection, reduce pigmentation and keep your results lasting longer.

| Å |

Natural color in our products add benefits

Pink reflects the Dragon's Blood which is significantly more potent than Vitamin C and Vitamin E.

Green is the result of fresh cucumber which is cooling, calming and hydrating for your skin.

**ADVANCED FORMULA TO
